Home Seekers

Our new tract of land has just been
platted and is now on the market. These
building sites are located opposite Puna-
hou College, facing on Makiki and Puna-
hou streets and Wilber Avenue. We claim
every advantage for these lots; they are on
the car line, they have city water, they
have fine shade trees; the finest residence
portion of the city is located around Puna-
hou College, and the magnificent view can
never be shut out by other buildings; the
elevation is high and entirely suitable for
residence purposes. The lots are 75 ft front
and 125 ft. deep, and the terms can be had
on application.
